Why monday.com

We empower teams and organizations, of all sizes, to outdo their best and work happier together.

Top challenges in working remotely

Hard to manage remote learning

It's hard to keep track of all the moving parts

Slow execution

Decisions cannot be made and action items take longer to execute

Double work

Multiple resources working to solve the same problems

No alignment

Hard to communicate with students or colleagues

Hard to collaborate

Lack of visibility and transparency between the faculty, staff and students

Deliver an outstanding remote learning experience

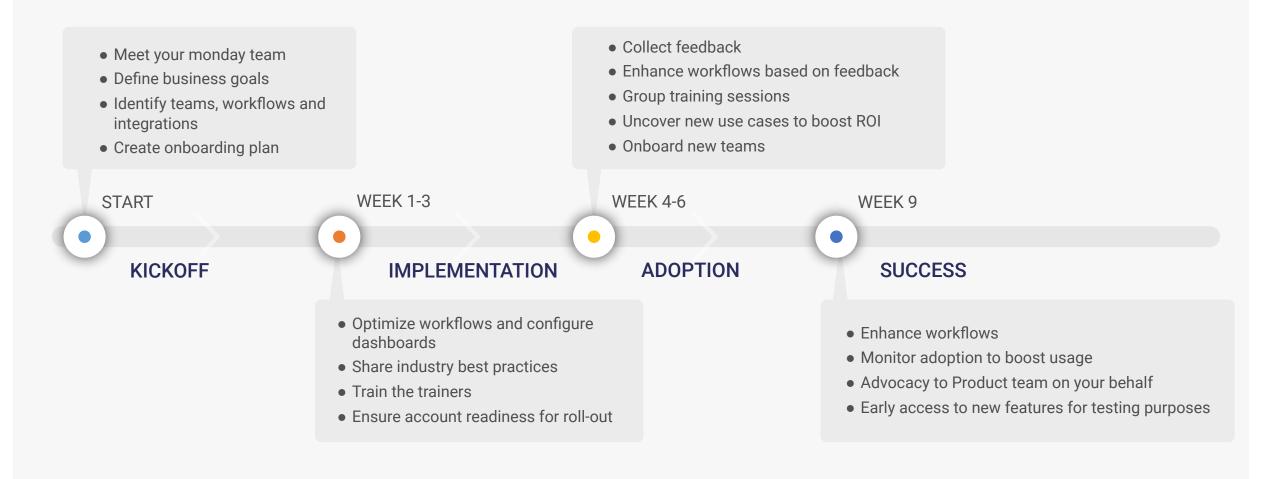

Manage cross-departmental projects and processes Allow everyone to stay up to date with the curriculum, track their progress or classwork

Ensure seamless collaboration between staff, faculty and students

Ensure ongoing communication, no matter where they are.
